JURISDICTION

109. This court has jurisdiction over this matter pursuant to 28 U.S.C. §1332.
110. I, Jacqueline M. Brewington really don't recall when the defendants broke into my home because the defendant Annette Hill Green, Et AL. is my first cousin on my mother and father side of my family. The defendants James D. Hill is my mother so call good for nothing brother as well as my fake-ass uncle. The defendants Donald E. Green married Annette Hill Green, ET AL. Once I put my mother Lessie C. Hill, Brewington -WILL- in Annette hand in my home at 25 Bodwell St. Dorchester, Mass. 02125.
111. Once I, Jacqueline Brewington gave the defendants Annette Hill Green the WILL, the defendants ran off and married defendants Donald E. Green so that they all can go into Conspiracy against me. The defendants Donald E. Green and Annette Hill Green, ET AL with the rest of the family went into the WILL, and all the family was running in and out of Massachusetts from Sept-15-1996. The defendant Annette Hill Green ask me do I have nightmares when I come to my home. I told the defendants Annette Hill Green is the only times I have nightmares is when I see her and her sorry-ass father James D. Hill in my home because the defendants was breaking into my home for a long time.
112. The defendants Donald E. Green, and Annette Hill Green, ET AL. stole my estate, car and my home they the defendants made bad deeds and titles to my home and the defendants was preying on my head injury thinking that they were going to pull stealing everything from me. The defendants use all kind of capital crime against me. The defendants Annette Hill Green and Donald E. Green, Et AL was trying to hide behind the defendant James D. Hill which happen to be the defendants Donald E. Green father-in-law and Annette Hill Green, ET AL father.

113. The defendants was using the policemen to obstructing of justice against me. The defendants was destroying my home and property as well as running fraud. The police was all brutallity attacking me so I would not tell anyone that they broke in my and with judges and other duty peoples that had nothing to do with them. The policeman was hanging around my apaprment in Roxbury all the time once I started to fight the defendants for breaking into my home. detectives Paul Martin was in the case every since my head injury and he was always putting false charges on me trying to cover-up the fact that they knew of me but don't want anyone to know that they all robb me for everything. Detective Paul Martin and detective Chales W. Mosel with other detective was all sneaking over to my apartment telling me I better not say anything to anyone about my home that Donald E. Green and Annette Hill Green, ET AL, have stolen from me.
114. The judges was all involved in stealing all my belongings and the judges was threatening me and jailing me for no reason other then my home and belongings. The policemen was kidnapping my kids trying to keep me quiet about my property and home. I was falsely arrested by the policemen.
115. The reason why I, Jacqueline M. Brewington took so long to put this case together is because the defendants are all very powerfull and I was fighting all of these peoples all by myself. The landlords was stealing my apartment from under me like the defendants was stealing my home and all of my belongings from under me.
116. Whether such person or the opposing party, or either party's representative, made motions or asserted claims or defenses so lacking in merit as to show that such party or representative acted intentionally for delay, or otherwise acted in bad faith;
117. Whether, in the course of the action involved, such person or the opposing party's representative, violated any applicable rule, statue or court order providing for sanctions for dilatory behavior or otherwise providing for expeditious proceeding; and
118. Whether such person or the opposing party, or either party's representative, engaged in conduct primarily for the purpose of delaying the litigation or increasing the cost therof.
119. WHEREFORE, I, Jacqueline M. Brewington demands judgment against the defendants for damages and such other relief as this Court deems just.
120. I, Jacqueline M. Brewington demands that the defendants Donald E. Green and Annette Hill Green, ET AL, be put out of business for good and I would like for all of the defendants to do state and federal time for everything that the defendants did to me.
121. I, Jacqueline M. Brewington demands that the Court step in and help me out in this matter.

122. I, Jacqueline M. Brewington demands that the Court serves all of the defendants because the defendants think this is a game with me because all of the defendants know that I have been hit in my head so they take everything as a joke.
123. I, Jacqueline M. Brewington demands a trial by jury.
124. I, Jacqueline M. Brewington demands that the defendants Donald E. Green and Annette Hill Green, ET AL pays me Jacqueline M. Brewington in the sum of \$999.999.999 dollars twice on the behalf of my mother and my father.

JURISDICTION

109. This court has jurisdiction over this matter pursuant to 28 U.S.C. §1332.
110. I, Jacqueline M. Brewington really don't recall when the defendants broke into my home because the defendant Annette Hill Green, Et AL. is my first cousin on my mother and father side of my family. The defendants James D. Hill is my mother so call good for nothing brother as well as my fake-ass uncle. The defendants Donald E. Green married Annette Hill Green, ET AL. Once I put my mother Lessie C. Hill, Brewington -WILL- in Annette hand in my home at 25 Bodwell St. Dorchester, Mass. 02125.
111. Once I, Jacqueline Brewington gave the defendants Annette Hill Green the WILL, the defendants ran off and married defendants Donald E. Green so that they all can go into Conspiracy against me. The defendants Donald E. Green and Annette Hill Green, ET AL with the rest of the family went into the WILL, and all the family was running in and out of Massachusetts from Sept-15-1996. The defendant Annette Hill Green ask me do I have nightmares when I come to my home. I told the defendants Annette Hill Green is the only times I have nightmares is when I see her and her sorry-ass father James D. Hill in my home because the defendants was breaking into my home for a long time.
112. The defendants Donald E. Green, and Annette Hill Green, ET AL. stole my estate, car and my home they the defendants made bad deeds and titles to my home and the defendants was preying on my head injury thinking that they were going to pull stealing everything from me. The defendants use all kind of capital crime against me. The defendants Annette Hill Green and Donald E. Green, Et AL was trying to hide behind the defendant James D. Hill which happen to be the defendants Donald E. Green father-in-law and Annette Hill Green, ET AL father.
- (10)

113. The defendants was using the policemen to obstructing of justice against me. The defendants was destroying my home and property as well as running fraud. The police was all brutallity attacking me so I would not tell anyone that they broke in my and with judges and other duty peoples that had nothing to do with them. The policeman was hanging around my apaprment in Roxbury all the time once I started to fight the defendants for breaking into my home. detectives Paul Martin was in the case every since my head injury and he was always putting false charges on me trying to cover-up the fact that they knew of me but don't want anyone to know that they all robb me for everything. Detective Paul Martin and detective Chales W. Mosel with other detective was all sneaking over to my apartment telling me I better not say anything to anyone about my home that Donald E. Green and Annette Hill Green, ET AL, have stolen from me.
 114. The judges was all involved in stealing all my belongings and the judges was threatening me and jailing me for no reason other then my home and belongings. The policemen was kidnapping my kids trying to keep me quiet about my property and home. I was falsely arrested by the policemen.
 115. The reason why I, Jacqueline M. Brewington took so long to put this case together is because the defendants are all very powerfull and I was fighting all of these peoples all by myself. The landlords was stealing my apartment from under me like the defendants was stealing my home and all of my belongings from under me.
 116. Whether such person or the opposing party, or either party's representative, made motions or asserted claims or defenses so lacking in merit as to show that such party or representative acted intentionally for delay, or otherwise acted in bad faith;

 118. Whether such person or the opposing party, or either party's representative, engaged in conduct primarily for the purpose of delaying the litigation or increasing the cost therof.
 119. WHEREFORE, I, Jacqueline M. Brewington demands judgment against the defendants for damages and such other relief as this Court deems just.
 120. I, Jacqueline M. Brewington demands that the defendants Donald E. Green and Annette Hill Green, ET AL, be put out of business for good and I would like for all of the defendants to do state and federal time for everything that the defendants did to me.
 121. I, Jacqueline M. Brewington demands that the Court step in and help me out in this matter.
- (11)

122. I, Jacqueline M. Brewington demands that the Court serves all of the defendants because the defendants think this is a game with me because all of the defendants know that I have been hit in my head so they take everything as a joke.
